Project Presentation and Opening - DiViAS

Digitisation, Visualisation and Analysis of Collection Items

Friday, 24th May, 6pm,
Carl von Ossietzky University Oldenburg
Auditorium (Aula), A11

Carl von Ossietzky University Oldenburg
Ammerländer Heerstraße 114-118
26129 Oldenburg

Directions:

by car: coming from the Oldenburg-Ost interchange, take the A28 in the direction of Emden/Leer. Leave the motorway at the Haarentor exit and turn right at the traffic lights onto Ammerländer Heerstraße. At the second set of traffic lights (after approx. 800 meters), turn left into Uhlhornsweg.

by public transport: The Haarentor campus (Ammerländer Heerstraße/Uhlhornsweg) is served by the bus lines 306 "Universität", 310 "Wehnen/Famila-Center" and 324 "Infanterieweg".

The DiViAS Project

The DiViAS research network combines scientific methods and practices for digitising, researching and representing collections from colonial contexts. The project systematically connects expertise from the fields of museum studies, history and cultural studies with that of technology and computer science. The project is funded by the Volkswagen Foundation's "zukunft.niedersachsen" programme.
